Memorandum:

Mr. Hume:

S.W.¼ 35-23-14-W.4.M.
Pre-emption - Ira Pottenger,
Entry granted - 19th November, 1909.
N.W.¼ 35-23-14-W.4.M.
Homestead. (Patented 27th September, 1913).

INTERIOR

Mr. Pottenger completed his pre-emption duties and applied for patent on the 5th June, 1916, but failed to pay the purchase price and interest, though repeatedly called upon to do so.

On the 9th October, 1923, Appraiser Cloakey reported as follows,-

"This man left this country in 1916 for the United States but I could not find out his address there. There is a house on the homestead worth about $150.00 but no other improvements and the land has all gone back to weeds.
Would recommend that this entry be cancelled."

In view of this report, cancellation proceedings were instituted on the 4th December, 1923, because of non-payment.

In his defence, Mr. Pottenger who now lives in Idaho, U.S.A., says,-

"I will say in regards to the land if they take the pre-emption away from me they might as well take the homestead too for I could not make a living on the homestead as nearly all the bad land is on the homestead. I intend to pay for it as soon as I can and am able.
I left there on account of my wife's health and have not had the means to pay it off. I left the place in charge of L.E. Helmer, Nateby. They tell me there has never been a crop since I left. I will pay it as soon as I can."

Mr. Pottenger owes over $615.00 on account of purchase price and interest and about $900.00 for seed grain and relief.

Please say whether cancellation is to be carried out or final notice allowed to the 1st April next within which to at least make a very substantial payment.

Rather a doubtful case for extension of time. He evidently has no money now, so that (unless cancellation is ordered) Mr. he will not be able to make payment

W.J.H. 7.2.24.

Up to the 1st September, 1919, the rate of interest will be five per cent per annum. After that date, interest will be computed on all overdue instalments then remaining unpaid at seven per cent instead of five per cent.

You should take steps to pay off this indebtedness, or at least to substantially reduce the same. Any payments made should be remitted to the Agent of Dominion Lands at Calgary.

If, for any reason, you are unable to make the payments referred to, or any substantial portion thereof, and desire to mortgage or sell the land with a view to paying off this indebtedness, you may make application to the Agent of Dominion Lands for a Certificate of Recommendation in your favour.

You should distinctly understand, however, that in the event of this Certificate being issued, and your subsequently mortgaging or selling the land, any indebtedness to the Department will be a first charge on such transaction, and it will be necessary for you to secure sufficient cash to pay off such indebtedness in full.

Important:

Your attention is called to the fact that during the years of crop failure the Department has been very lenient in granting extensions of time to those who were unable to make payments of amounts due in connection with entries to which purchase conditions are attached. From present indications it would seem that there is every prospect of a bountiful harvest in the Prairie Provinces this year and the Department will expect those who are able to do so to liquidate their indebtedness promptly. Further protection will not be granted unless the inspection which will follow this notice shows that circumstances are such that payment is impossible.

POSTING OF LAND, OTHER THAN SOLDIER SETTLEMENT LAND.

Calgary, August 14, 1924.

Notice is hereby given that after the expiration of 10 clear days from the date hereof, that is, on and after the 25th August 1924 the N.E. ¼ of Section 21 Township 29 Range 10 West of the 4th Meridian will be available for entry, providing the land is of the class suitable for farming and is unoccupied, as follows:

(1) On the day above mentioned, that is on the morning of the 25th August, 1924
(Entry in person or by proxy.)

By a settler as defined by the Soldier Settlement Act, eligible to make entry, who holds an adjoining quarter section under homestead or Soldier Grant Entry, or who obtained homestead patent for such adjoining quarter section and is still the owner thereof, or was a squatter before survey on such quarter section.

(2) On the following day, that is on the morning of the 26th August, 1924
(Entry in person and at office of Agent only.)

For ordinary homestead entry by returned soldiers who have served Overseas and who produce evidence of honourable discharge.
For soldier grant entry by any "settler" as defined by the Soldier Settlement Act upon production of Attestation Certificate, or a telegram or special letter from the Soldier Settlement Board establishing eligibility (see other side).

(3) After one day has been allowed for priority under paragraph one and the succeeding day under paragraph two, then the next day, that is, on the morning of the 27th Aug. 1924.
(Entry in person or by proxy.)

By general public including civilians and returned soldiers.

Any person who is desirous of making entry must visit the land personally before making his application, and satisfy himself that there is no one in residence, as he will require to swear when making application for entry that the land is unoccupied. The intending applicant should, at the same time, carefully examine and estimate the value of the improvements, if any.

The application for entry (unless by proxy), may be made either at this office or at the office of the Sub-Agent of Dominion Lands in whose district the land is situated.

Application for entry by proxy is permitted in the case of a person making application on behalf of father, mother, brother, sister, son, daughter or husband, when authorized to do so in the form prescribed. In such a case the proxy will require to appear personally at the office of the *local Agent* (not Sub-Agent).

No fee is charged in connection with a soldier grant.

The entry fee if taken as a homestead will be $10.00. According to evidence on file in this office there are improvements upon the land stated to be worth $.....

Payment for Improvements.

Before a person is granted entry for a homestead or a Soldier Grant, he *shall declare what improvements*, if any, there are upon the land for which he applies, *and pay* to the Agent or Sub-Agent *the full amount of his valuation* of such improvements. Should he fail to make such declaration his entry shall be liable to cancellation.

In the event of uncertainty as to the correctness of the entrant's valuation, or if the value of the improvements is placed at over $25.00, the Agent shall cause such improvements to be examined and valued by a Homestead Inspector. If a surplus has been paid, the excess amount may be refunded. If insufficient has been paid the entrant must at once pay the difference, otherwise his entry may be cancelled.

Payment of Indebtedness Charged Against the Land.

The following indebtedness is charged against this land: $ 199.75 ; in the amount collected for improvements is not sufficient to make up this indebtedness, the applicant for entry is required to pay the full amount of indebtedness.

ELIGIBILITY FOR SOLDIER GRANT ENTRY:

"Settler" means a person who at any time during the war has been therein engaged on active service in a military force—

(1) of Canada—and has served out of Canada; or, wherever he may have served is, by reason of disability incurred or aggravated as the result of such service in receipt of a pension; or,

(2) of his Majesty or of any of His Majesty's Allies—and, being ordinarily resident in Canada when he enlisted in or otherwise became a member of such force, has served thereafter out of Canada, in a theatre of actual war; or,

(3) of his Majesty or of any British Dominion or Colony—and has served out of the country wherein he enlisted or otherwise became a member of such force in a theatre of war; and has been otherwise than dishonourably discharged from such force, or has been permitted to honourably resign or retire therefrom, or, without fault on his part, has been dispensed from further service therein; and the widow of any person who died on active service and who, but for his death, might be a settler as now defined, shall be capable of being a settler in her deceased husband's right.

No Soldier Grant Entry shall be made to any settler who.—

(a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or,

(b) has pursuant to the provisions of the said Act or of the former Act, secured from the Board any advance of money for the clearing of encumbrances on, or the purchase of, or the improvement of, any land; or,

(c) is owner of or has a vested possessory interest in agricultural land of such area as, in the opinion of the Board, constitutes an average farm for the district within which the land is situated, or which, in the opinion of the Board, is of the value of five thousand dollars.

Unless otherwise determined by the Board, every applicant for soldier entry shall be required to make a declaration in the form prescribed by the Board that he is not by reason of the foregoing provisions debarred from such entry. Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers.

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS.

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the morning of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been first entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

Re: Account of Frank M. Stolts
S.E. 21-29-10-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 seed grain and fodder amounting to $199.75 were advanced to Frank M. Stolts on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 199.75	$ 369.16	$ 568.91

The S.E. 21-29-10-W4 was formerly the pre-emption of the debtor whose entry was cancelled on the 1st of August 1924, and is still Crown land held in the right of the Province. The liens were never registered against the S.W. 21-29-10-W4 which was formerly his patented homestead.

In reply to our questionaire of the 19th of May 1952, J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:

"This parcel is unalienated crown land occupied at present under long term grazing lease. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our advances. Under the circumstances it is recommended that the indebtedness be cancelled.

Mr. Hume:

On the 8th ultimo the Controller of Timber and Grazing Lands Branch advised the Agent at Edmonton, that the above areas had been withdrawn from Timber Berth #1296 held under license by Mr. W. A. Charlton, M.P.

These lands are reported clear in the different Branches of the Department.

On the 3rd January, 1920, Mr E. Beamish who states he has purchased the South West quarter of this section, communicated with the Department requesting to be permitted to exercise his soldier grant rights on these fractional areas.

According to the records, the above areas which have been withdrawn from the Timber Berth contain 106.46 acres more or less, and you will observe from the sketch hereunder (marked) that it takes in a portion of the four quarter sections.

Unless you consider the course of the Pembina river might sometime in future be changed doing away with the bend therein, as shown in the sketch, it is suggested that these areas be dealt with as one parcel of land and our Agent instructed to post the same for ten days and make the land available for ordinary settlement.

Mr. Beamish having purchased the South West of this section does not give him any priority in the matter of entry, as the regulations only provide for a settler holding adjoining land under entry, or having received patent for the same, or squatted thereon, which would entitle him to one day's priority in the matter of entry, and there would appear to be no grounds on which Mr. Beamish could be granted any concession in the matter of priority.

In reply to your letter of the 19th ultimo I beg to say that these two parcels were sold to Mr. E. Beamish under authority of the Dreinage Regulations at a price of $5.00 per acre.

Department of the Interior,

LAND PATENTS BRANCH,

Ottawa, 31st March, 1914.

MEMORANDUM:

Prac. S. E. ¼ 12--62--1 W. 5th M., lying W. of Lake and containing 54.8 acres, coloured pink on sketch. Vacant.

I beg to submit the application of Karl Ruth to have the above described parcel included in his homestead, the part of the quarter section lying east of lake, for which he made entry in April, 1913.

The Homestead Inspector reports that the applicant can get to the land applied for without trespassing on adjoining land, and recommends that the desired addition be made.

As the lake in this case is small, I beg to recommend that Mr. Ruth's entry be extended so as to take in the whole of the land in the quarter section.

Respectfully submitted,

Controller.

MEMORANDUM

MR. LYNCH:-

Re S.W.¼ 13-62-[illegible] W.-th.

On January 10th last Mr. Farquharson was granted homestead entry for the above quarter-section.

On July 5th last the Edmonton, Dunvegan and British Columbia Railway Company applied for this quarter-section for townsite purposes, and before the Agent of Dominion Lands was advised to reserve the land for the Company in the event of Farquharson's entry being cancelled, an application for the cancellation of the entry was made by A.J. Irwin. The entry was cancelled and when Mr. Irwin went to the Land Office to complete his entry he was advised that the land was reserved for the Edmonton, Dunvegan and British Columbia Railway Company.

In view of the fact that Mr. Irwin's application for the cancellation of Farquharson's entry was accepted by the Department and the necessary action taken thereon, I presume that the Agent should be advised that Mr. Irwin's application is to receive prior consideration to that of the Company.

MEMORANDUM:

NW¼ of 12-62-27, W4thM.
Homestead-Ernest L. Du Duit.
Date of entry 21st Aug., 1912.
Cancellation proceedings pending.

I submit a report by Mr. Scott, giving the details of this case.

Under the Act an application for patent must be corroborated by the evidence of two disinterested witnesses, and I do not see how this requirement could be waived as suggested by Mr. Cuttle.

The deficiency in cultivation could be overlooked if so desired, as there is nothing specified in the Act as to area of cultivation.

If Mr. Du Duit cannot get witnesses it would seem the best thing to do would be to offer him an opportunity of buying at $1.00 per acre.

As the Railway Company has not submitted the original abandonment of the area desired by them for right of way, it does not seem that the Department is required to make any deduction from the area of the homestead, but possibly it may be desired to notify the Railway Company that nothing can be done for them until the abandonment is filed, and that unless the document is filed before patent issues they will have to get a conveyance from the patentee.

Respectfully submitted,

J.W. Greenway, Esq.,
COMMISSIONER OF DOMINION LANDS,
OTTAWA.

MR. STAFFORD

The Deputy Minister of the Interior

Ottawa. 23rd October, 1917.

MEMORANDUM -

File No. 2007063.
NW¼ of 12--62--27--W.4th M.
Homestead - Ernest L. Du Duit.

Mr. Du Duit has held this land since August, 1912, and applied for his patent on the 9th December last. He would appear, however, to have been so discredited in his own locality that he has been unable to bring forward two witnesses to corroborate the statements contained in his application and he has not brought the required area under cultivation. Otherwise he has fully complied with the other duties. The facts of the case were such that in the month of May last, the Minister decided to have Mr. Cuttle hold an investigation under oath. Mr. Cuttle now reports that as the land is very hard to clear and break, the Department would be justified in accepting the 5 acres which the entrant has brought under cultivation as a sufficient compliance with our requirements and that as it would be practically impossible for Mr. Du Duit to secure witnesses to corroborate his application, as people in his neighbourhood are all bent upon forcing him out of his patent, he recommends that the application be accepted without the witnesses. This requirement, however, cannot be waived, as there is a specific statutory provision in the Act for the same.

Under the circumstances, the Commissioner recommends the sale of the land to Du Duit at $1.00 per acre, as a way out of the difficulty. I concur in this recommendation, and beg to recommend the matter for your decision.

Respectfully submitted,

Deputy Minister.

The Honourable Arthur Meighen,
Minister of the Interior,
Ottawa.

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS.

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their prospective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate of entry for such land until the close of the office hours of the day on which the prior right of entry is considered, or until the morning of the following day:

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of day of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been first entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

M. D. of Flowerdale No. 244.

The Seed Grain & Relief Adjustment Board, appointed under Order P. C. 2200, hereby recommends that the liens, Municipal Seed Grain and Joint Relief, charged against the W. ½, 36-28-11-W. 4th Mer., for advances made to Colin C. Campbell, by the Municipal District of Flowerdale No. 244, be discharged.

The Board submits the report of the Director, Debt Adjustment Act, dated June 22nd, 1931, which report gives full details of all liens registered against the said land and states in support of the recommendation:-

1. That at the time the advances were made the debtor was the owner of the N.W.¼, 36-28-11-W. 4th Mer., subject to a first mortgage in favor of the Royal Trust Company, which had priority to all liens.

2. That the Mortgagees foreclosed upon their security and became the registered owners of said land and that by such foreclosure all liens were eliminated therefrom.

3. That at the time the advances were made the debtor held pre-emption entry to the S.W.¼, 36-28-11-W. 4th Mer., and that the debtor's entry as not yet been cancelled.

4. That the debtor's Estate is now being administered by the Administrator of Estates of the Mentally Incompetent, who has reported that he does not intend to protect the pre-emption entry by payment of the purchase price, and that such entry will eventually be cancelled.

5. .....

5. That the land is situate in an extremely dry District and has a very low value, and it will not be possible to bring it back into use so long as it is encumbered with the advances made to the present entrant.

6. That the debtor is now an Inmate of the Provincial Mental Hospital and it is reported that there is nothing from his Estate from which payment could be made under the personal covenant of the debtor.

The Board therefore recommends that all Liens be unconditionally discharged, and the total amount payable thereon be written off as uncollectible.

Dear Sir:

Re: Colin C. Campbell - Seed Grain and Relief
Indebtedness - M.D. of Flowerdale #244
W.½ 36- 28- 11- W.4th

C. C. Campbell obtained a seed grain advance of $110.00 and a relief advance of $36.00 from the Municipal District of Flowerdale #244. On June 11, 1921 he paid $37.92 on account of seed grain and $12.00 on account of relief. With interest to December 31, 1930 he owes the undermentioned balance:

Seed Grain -	Principal	$89.42	
	Interest	59.81	$149.23
Relief -	Principal	$29.67	
	Interest	19.86	49.53
			$198.76

Liens to secure repayment were registered against the W.½ 36- 28- 11- W.4th. Title to the W.½ 36- 28- 11- W.4th was acquired by the Royal Trust Company by foreclosure of a mortgage registered prior to the liens. As a result the liens were removed from the title. The debtor holds preemption entry for the S.W. 36- 28- 11- W.4th but he is insane and his estate is administered by the Administrator of Estates of the Mentally Incompetent who has reported that he does not intend to protect the preemption entry by payment of the purchase price.

He has also reported that all the small available funds which he has in this estate will be used to reduce the indebtedness for maintenance of the patient in the Provincial Mental Hospital.

There is therefore no likelihood of collection of any portion of this account and I recommend that it be written off as uncollectable both in so far as it affects Campbell's indebtedness to the Municipal District and the indebtedness of the Municipal District to the Province of Alberta.

Yours truly,
Director.

Re: Account of Colin C. Campbell
N.W. 36-28-11-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain and fodder amounting to $391.15 were advanced to Colin C. Campbell on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$ 391.15	$ 720.25	$ 1,111.40

Patent was issued in the name of Colin C. Campbell for the N.W. 36-28-11-W4 on the 15th of July 1913, later becoming subject to the 1915 liens. The S.W. 36-28-11-W4 was formerly the pre-emption of the debtor whose entry was cancelled and the land is still unalienated Crown land held in the right of the Province.

In reply to our questionaire of the 6th of February 1952, J.H. Todricks, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"The SW¼ of this parcel is unalienated crown land while title to the NW¼ is presently vested in this department having been acquired through proceedings under the Tax Recovery Act and is covered at present by a long term grazing lease issued by this department. This land is located in that part of the Province designated "Special Areas" and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

As the land no longer offers any security of value and is such that it cannot be used for farming purposes, it is recommended that the indebtedness be cancelled and the liens discharged.

DEPARTMENT OF THE INTERIOR
CANADA

OTTAWA, 2nd April, 1914.

Memorandum:

Mr. Hume.

N.W.? 27-34-4 W. 4th M.
Pre-emption - Oliver Crofts.
Entry granted, 26th November, 1909.
Homestead entered, 27th April, 1910.

Mr. Crofts made application for pre-emption patent on the 18th September, 1919, claiming more than the required residence and cultivation.

He was advised that he could apply for a Certificate of Recognition but has not done so.

Patent Branch memorandum of the 1st August last shows $ 729.45 principal and interest due the 1st November last.

Inspector Kemsley reported on the 8th December last as follows:-

Residence:

"From 1910 to date of inspection.

Cultivation:

" 12 acres summerfallowed
" 18 acres stubble
" Value, $ 40.00

General remarks:

"I regret that report No. 55 was
"incorrectly copied from my note
"book. The extract is in very
"poor circumstances financially
"and in getting the homestead from
"a mortgage Company "Underwood Truste
"and I do not think he will ever be
"able to pay for the pre-emption."

I recommend that letter received fr
Mr. Crofts in which he asks for an extension of time to
pay. He states that he had poor crops from 1917 on
land. He also states that his pre-emption is a very po

-over-

quarter and that the water rext to him has been
used; if he could change over this water and transfer
his debts as well, it would make things much easier f r
him. He states that there is some talk of moving farmers
from the dry belt on rock land to other land in the
province and says why cannot he moved across the road.

Before calling upon Mr Foster to state
whether the land he desire to secure adjoins his homestead.
I am submitting the case as to whether you would be
satisfied to grant his request in any case.

Sir:

N.W. 27-34-4-W. 4th M.

With reference to your communication dated the 3rd of November last relating to the 1919 and 1928 seed grain advances which were made to one, Edgar Crofts, on the security of the above described land I am to advise that on procuring a copy of Abstract of Title in connection with the S.W. 27-34-4-W. 4th bearing date of the 29th of November last, it indicates that title to the land is now registered to the Municipal District of Stewart, No. 302, under date of the 21st of March, 1927.

In view of the circumstances there is no possibility of the liens in question being registered against that land and further the annual statement has been returned by the postal authorities marked "Uncalled for."

I would suggest that the account be held in abeyance pending the land being re-entered for, which should be subject to the assuming, by the re-entrant, of the former entrant's indebtedness.

Re: Account of Edgar Crofts
N.W. 27-34-4-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1919 and 1920 seed grain amounting to $324.18 was advanced to Edgar Crofts on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$ 324.18	$ 738.35	$ 1,062.53

The N.W. 27-34-4-W4 was formerly the preemption of the debtor whose entry was cancelled on the 6th of July 1928 and the land is still unalienated Crown land held in the right of the Province.

In reply to our questionaire of the 8th of February 1934, J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"This parcel is unalienated crown land covered at present by a long term grazing lease as issued by this department. This land is located in that part of the Province designated "Special Areas" and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

As the land no longer offers any security of value and is such that it cannot be used for farming purposes, it is recommended that the indebtedness be cancelled.
